La Porte Elementary School Newsletter

Principal's Message

The beginning of this school year has been filled with both excitement and trepidation. Excitement for new beginnings, aha moments and possibilities of "Great Things" to come. Trepidation for the unknown and the tough decisions that, at times, seem beyond our control. I want to take a moment to reassure that La Porte Elementary will always do our best to make decisions that are in the best interest of our kids – their safety, their education and their well-being while they are in our care! Communication, especially in these uncertain times, is the key to our success. So please, if you have questions or concerns, reach out and ask! We are "STRONGER TOGETHER!"

☺ Mrs. Hyde
